Dear Frank,

On a recent overseas trip, I had the good fortune of being ferried about for some 17,000 miles in a C-141 by [redacted]  
[redacted]

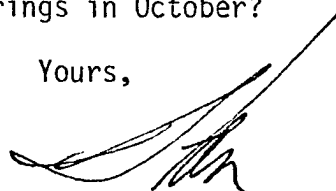

Since I understand that [redacted] has recently submitted a pilot employment application to Eastern Air Lines, I want to pass on how impressed I was with this attractive young man.

I spent some time in the cockpit, particularly for takeoffs and landings, and found [redacted] to be a thoroughly professional and experienced pilot who was clearly in complete command without the slightest trace of heavy-handedness. Indeed, he impressed me as a natural leader with a clear understanding of what he wants to do and how he intends to go about accomplishing his goal.

I was thoroughly pleased with him. My only reservation in recommending him is that the Air Force will be losing an exceptionally fine officer.

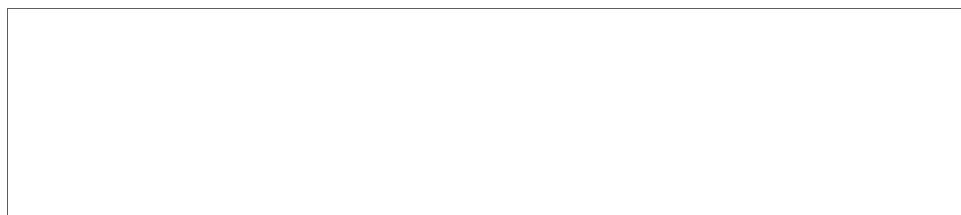

Will we see Susan and you at Hot Springs in October?

Yours,

STANSFIELD TURNER
